

THE ROYAL NUMISMATIC SOCIETY

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2013

The Royal Numismatic Society was founded in 1836 under the name of The Numismatic Society of London, receiving a Royal Charter in 1904, since when it has been called The Royal Numismatic Society. It is a registered charity (No.221850). The Society is established for the purpose of encouraging the study of the coinage of all countries and its history.

The trustees of the Society for the year ended 31st December 2013 were the officers and members of Council:- Andrew Burnett (President from 1 October), Nicholas Mayhew (President to 30 September), Chris Howgego (from 1 October) and Roger Bland (Vice Presidents), Robert Bracey (to 30 September then Council), Sushma Jansari (Council then from 1 October) and Helen Wang (Hon. Secretaries), Richard Ashton (Hon. Foreign Secretary and Editor), John Morcom (Hon. Treasurer to 30 September then Council), Amelia Dowler (Hon. Treasurer from 1 October), Robert Thompson (Librarian), Marcus Phillips (Editor), Richard Abdy (to 30 September), Jennifer Adam (to 30 September), Martin Allen, Dario Calomino (from 1 October), Tom Eden, Kris Lockyear, Philip Skingley (to 30 September), Susan Tyler-Smith, Philippa Walton and Hugh Williams (from 1 October).

The registered address of the charity is c/o Dept. of Coins and Medals, British Museum, London WC1B 3DG. The Society's activities are governed by its Charter and Bye-Laws, and Regulations. New Bye-Laws and amended Regulations were ratified by Her Majesty's Privy Council on 30 August 2007.

The Society's bankers are National Westminster Bank Plc, City of London Office, P.O.Box 12258, 1 Princes Street, London, EC2R 8PA.

The independent examiner is R.A. Merson, F.C.A., Tanyard House, 13A Bridge Square, Farnham, Surrey, GU9 7QR.

The Society usually holds meetings on the third Tuesday of each month, from January to June and October to December, normally at The Warburg Institute, Woburn Square, London WC1, otherwise at Spink & Son Limited, Southampton Row, London, at which normally a substantive paper is read. On 20 July 2013, a special one-day meeting on *Coin Hoards and Treasure Finds* was held at York Racecourse. This was a joint meeting with the British Numismatic Society and held in the same venue as the York Coin and Stamp Fair.

The Society publishes The Numismatic Chronicle each year, which is distributed free to Fellows. Copies are also available for sale to the general public and Spink & Son Limited distribute them on behalf of the Society. Fellows may also request copies of the *Money & Medals* Newsletter free from the Money and Medals Network.

The Society also produces a series of Special Publications. No new volumes were published during the year, but work has continued on a number of planned volumes.

Spink & Son Limited act as principal distributor of the Society's publications.

The Society holds a substantial library, jointly with the British Numismatic Society, at The Warburg Institute in Woburn Square, London. Fellows can borrow the books, and the Society maintains a programme of acquiring new books and periodicals, including sale catalogues.

The Society made no research grants and donations out of its own funds during the year. The Society administers nine Grant and Prize Funds, using money donated to the Society for specific purposes. From these moneys, grants and prizes totalling £8,372 were distributed to individuals. The Society normally pays annual subscriptions to the International Numismatic Commission, the British Association of Numismatic Societies, the National Art Collections Fund, the Council for British Archaeology and the British Art Medal Society.

The Society has a policy of investing its long term funds in M&G Charifund Units. Funds that may be required for current expenditure and for special publications, are held on special deposit at the Society's bankers. Decisions regarding the distribution of Grants, either from the Society's General Funds, or from the Designated or Restricted Funds are taken at the regular Council Meetings, after considering the recommendations of relevant Council officers or subcommittees. The level of General Funds is normally maintained at an amount between two and three years normal annual expenditure.

The Society is financed by an annual subscription payable by both private and institutional fellows, with a reduced subscription for full-time students, together with income from investments. The full annual subscription is £40 and the student rate £20.

The officers of the Society offer their services on a voluntary basis, although a paid administrator does work for the Society for normally one to two days per week. In this way, governance costs are kept to a minimum.

The Society's website is at <http://royalnumismaticssociety.org>. The Society currently has approaching 900 fellows.

Approved by the Council, and signed on its behalf by:

S. Jansari, Hon. Secretary

INDEPENDENT EXAMINER'S REPORT TO THE FELLOWS OF THE ROYAL NUMISMATIC SOCIETY

I report on the Financial Statements of the Society for the year ended 31 December 2013 which are set out on pages 5 to 13.

Respective responsibilities of trustees and examiner

The Council, as the Society's trustees, are responsible for the preparation of the financial statements, and consider that the audit requirement of Section 144 of the Charities Act 2011 does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commission under Section 145(5)(b) of that Act, whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Society and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the Council concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with Section 130 of the Charities Act 2011, and to prepare financial statements which accord with the accounting records and to comply with the accounting requirements of that Act have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Signed:

Date: 17th June 2014

R.A. Merson, F.C.A.

**REPORT OF THE FELLOWS APPOINTED
UNDER BYE-LAW 55 OF THE ROYAL NUMISMATIC SOCIETY
FOR THE YEAR ENDED 31 DECEMBER 2013**

Charity law requires the Society to appoint an independent examiner to carry out an examination of the Society's accounts. In addition, the Society's Bye-Laws presently require the annual appointment of two or more auditors chosen by the Society at one of the three Ordinary Meetings immediately preceding the Annual General Meeting, to audit the Treasurer's report showing the financial position of the Society as prepared for presentation by the Council at the Annual General Meeting.

We have examined the financial statements on pages 5 to 13, and we are satisfied that the Society has maintained proper accounting records in accordance with Section 130 of the Charities Act 2011 and Bye-Law 55 of the Society.

In carrying out our examination of the accounts and investigation into the financial position of the Society, no matter has come to our attention that we consider necessary to report to the Society.

P. Skingley

THE ROYAL NUMISMATIC SOCIETY

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2013

1. ACCOUNTING POLICIES

Basis of Accounting

These accounts have been prepared under the historical cost convention, as modified by the revaluation of the investments, and in accordance with applicable accounting standards and the Statement of Recommended Practice on Accounting by Charities.

Fixed Assets

No value has been attributed in the balance sheet to the Society's library. The joint library of the Society and The British Numismatic Society was insured during the year at a value of £415,650. The books are individually labelled as to which Society owns them, but for the purposes of practical day-to-day administration and the sharing of costs, two-thirds of the library is taken as belonging to The Royal Numismatic Society.

Investments

The Society's investments are included in the financial statements at their mid-market values at the balance sheet date. Realised and unrealised gains and losses on investments are added to or deducted from the appropriate fund in the balance sheet.

Stock

No value is attributed to the Society's stocks of Special Publications and the Numismatic Chronicle, for which Spink & Son Limited are the Society's principal distributor.

Grants and Prizes

Grants and Prizes are authorised and awarded by the Council based on the recommendations of the various Prize and Fund Sub-committees and advice from relevant specialists, and are normally included in the accounts as payable when authorised and awarded.

Subscriptions

No credit is taken either for subscriptions received in advance or for subscriptions in arrears at the balance sheet date.

Resources Expended

The administration of the Society is largely conducted on a voluntary basis and therefore only a very small proportion of the total resources expended is not direct charitable expenditure. As the amount is not considered to be material, no attempt has been made to separately identify the costs which relate to the governance of the Society.

2. INVESTMENTS

	2013 £	2012 £
Mid-market value at 1 January 2013	315,976	282,136
Units purchased during the year	5,000	5,000
Unrealised gains during the year	63,335	28,840
	—————	—————
Mid-market value at 31 December 2013	384,311	315,976
	—————	—————
The investments are as follows:		
M&G Charifund Income Units	383,554	315,249
Shares in quoted company	757	727
	—————	—————
	384,311	315,976
	—————	—————
Original cost of investments	<u>124,220</u>	<u>119,220</u>

As at 13th June 2014, the above investments had a value of £395,370.

The shares in a quoted company, Royal Bank of Scotland, are believed to have been acquired by bequest and not by purchase. One rights issue was taken up during 2008.

In order to avoid the cost and administration of continually buying and selling small amounts of Charifund units, the investment income received, together with any other amounts awaiting investment, is held in the Society's bank accounts and is used to make the payments of the various grants and prizes, and for the costs of the Special Publications, as they arise. Any interest that is earned on these fluctuating amounts is not normally separately calculated but is retained as part of the Society's General Fund.

3. DESIGNATED FUNDS

	H.W.A. Linecar Bequest	Frizzell Fund	Special Publications Fund	Total
Incoming Resources				
Sale of Publications	-	-	6,123	6,123
Income from Investments	670	515	-	1,185
	670	515	6,123	7,308
Direct Charitable Expenditure				
Grants	-	(169)	-	(169)
Special Publications – SP51	-	-	(2,772)	(2,772)
Net incoming resources for the year	670	346	3,351	4,367
Unrealised gains on Investments	2,523	1,937	-	4,460
Net movement in Funds	3,193	2,283	3,351	8,827
Fund balances brought forward at 1 January 2013	14,252	11,441	16,899	42,592
Fund balances carried forward at 31 December 2013	17,445	13,724	20,250	51,419

The H.W.A. Linecar Bequest of £5,000 was received in 1987 and Council has made the income available to subsidise the attendance of young people at the International Numismatic Congress and the congresses and lecture courses organised by the British Association of Numismatic Societies and to pay for an annual Linecar Memorial Lecturer at one of these B.A.N.S. events.

The Frizzell Fund was established in 1992 with a bequest received under the will of the late Helen Frizzell and Council decided that the income should be used once a year to pay the expenses of a visiting speaker, normally from abroad. This was subsequently extended to include using the income to help meet the travelling and other expenses of all lecturers, where appropriate, as well as the annual medallist.

The Special Publications Fund was originally established to present a separate record of the financial results of the Society's Special Publications Series and to retain the surplus funds designated as primarily available to meet the initial costs of publishing future volumes. A number of manuscripts are at present at various stages of completion. The grant of £3,562 received in 2005 from the University of Oslo towards the cost of publishing the book on the coinage of ancient Cos by Hakon Ingvaldsen continues to be carried forward as a creditor in the Society's balance sheet.

4. RESTRICTED FUNDS (contd.)

Full details of the Medal and Prizes of the Society, including details of past medallists and prize winners, and of the various Research Grants and Funds, are published in the Numismatic Chronicle or on the Society's website. Further details of the Grants and Prizes for the year are normally included in the President's Review of the Year, now published on the Society's website.

Prize Funds

The F.Parkes Weber Prize was instituted in 1954 and is awarded annually for an original essay or published article on any subject relating to coins, medals, medallions, tokens or paper money. Competitors must be under 30 on the annual closing date for entries. Nominations can be made by the author or a third party. The value of the prize is currently not less than £150.

The Lhotka Memorial Prize was endowed in 1961 in memory of Dr J.F.Lhotka and is awarded annually to the author adjudged to have published in the previous two calendar years the book or article in English most helpful to the elementary student of numismatics. The value of the prize is currently not less than £250.

The Gilljam Prize for Third Century Numismatics was established in 1985 and is awarded bi-annually for the book or article published in the previous three years which represents the best contribution to the numismatics of the third century, before the reform of Diocletian. The value of the prize is currently not less than £400.

The Samir Shamma Prize for Islamic Numismatics was established in 1992 and is awarded bi-annually for the book or article(s) published, normally and preferably in English, during the previous three years, adjudged most useful to students of Islamic numismatics. The value of the prize is currently not less than £2,000.

Research Grants and Funds

The W.S.Marshall Memorial Fund was established in 1945 to provide young numismatists with books.

The Nicholas Lowick Memorial Fund for the Promotion of Oriental Numismatic Research was set up in 1987 to provide grants, subsidies and awards. One or more annual grants of varying amounts are made towards travel and accommodation costs or to otherwise further the study of some aspect of Oriental numismatics.

The Neil Kreitman Central Asian Numismatic Endowment Fund was established in 1989 to make grants to promote research in the study of coins of ancient Central Asia. A further donation received in December 2009 was with the expressed wish to encourage the Society to support the publication of the next five volumes of the publication, *Gandharan Studies*.

The final grant of £2,500 is shown in these accounts for payment in 2014. The award of £500 to Q.F.Oropilla for his work on the coinage of Manila was made subject to publication and will therefore only be shown in the year in which it becomes payable.

The Classical Numismatic Group Roman and Byzantine Fund was established in 2009 with the aid of a generous donation from Classical Numismatic Group Inc. of Pennsylvania USA. A further £5,000 capital has been received from them during the year. The purpose of the Fund is to promote for the public benefit the study of Roman and Byzantine numismatics in its broadest sense.

The Martin Price Fund was established in 1995. Annual awards are made to promote the study of the coins of the Greek World in its broadest sense, with a special focus on young researchers.
